Criterion – V

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

At the suggestion of the IQAC the college has established a Disciplinary Committee, Anti-Ragging Committee and a Committee against Sexual harassment of Women headed by one Teacher of the College. The IQAC has also suggested that different committees should interact with students to inform them about facilities available in the college. The IQAC also suggested that opening of a Placement Cell would benefit the students.

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

The college was established in 1962. The dream of 1962 has already crossed 53 long years and stands tall like an unquestionable reality. The college now has a rich past, a glorious present and a bright future. The college is marching ahead with its sole objective of providing quality education to all, irrespective of caste, creed and religion, economic status or physical health. To fulfil the objective, many developmental programmes have been initiated keeping in tune with the changing requirements of education.

6.2 Does the Institution has a management Information System

Yes but not structured

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

As the College follows the Syllabus of Kalyani University there is little scope of internal curricular designing. However every department has its own academic calendar/module to run and complete the syllabus.

6.3.2 Teaching and Learning

Although the syllabus is framed not by the college but by the university to which it is affiliated, each department adopts some innovative processes in teaching and learning.

1. The faculties of each department meet at the beginning of each academic session for term-wise allocation of syllabus assignments, contents, fix dates for the term-end tests and prepare the academic calendar/ teaching module of that session.

2. The departments organize students quiz contests, poetry/drama workshops etc.,.

3. Field study and Project work carried out by some departments of the College.

Best Practice

Practice #1 Title – Overall Improvement of Students

Objective: To make the students conscious about their education, health, job opportunities and ultimately their future life.

Context: The college is located in a rural remote boarder area , far away from the district town as well as capital town of the state. Most of the students of this college are of first generation learners and belong to minority community. Students have no clear idea about necessity of education, fitness of health, verity of job opportunities etc.

Practice: Internal assessment, special care to slow learners, health check up programme specially for girls, sports complex, gymnasium, career counselling programme etc,. are arranged for overall development of the students.

Evidence of Success: Success rate of students in university examination has gone up slightly. Health check up programme has been organised by NSS unit. NCC and Physical Education Department have taken initiatives regarding physical development of the students using games and sports facilities like gymnasium, sports complex, college play ground etc,. of the college. Better performance of the students in various competitive examinations is also observed to some extent.

Resources Required: Infrastructural development, recruitment of full time faculty members, financial resources are required.

Problems Encountered: Class rooms are not adequate. Financial conditions of the students are not good enough to cope with the competitive age. It is very difficult to keep students after college hours.

Practice #2 Title – Computerisation of Administrative Section

Objective: To offer more secure and more flaw less services to all stakeholders with the shortage of office staff.

Context: Manual process of office work had been followed and there by the college was suffering from the problems relating to smooth-running of administration. Keeping in view of the fact of availability of worldwide information through a click of mouse, technological advancement is required to be introduced in the administration.

Practice: All money receipts and payments have been made computerised. Total accounts are maintained through specialised software package. Website of the college is ready for future on-line admission. COSA implementation is initiated for computerisation of salary with State Government Grant.

Evidence of Success: Fee deposit at the time of admission and filling up of form for university examination are done through computer. Salary Account of the staff, UGC Fund, other monetary matters are kept in computer.

Resources Required: Computer Training/Re-training of staffs is required.

Problems Encountered: Permanent skilled staff having computer knowledge back ground and Infrastructural facilities are inadequate.
